RE: 16 DE Reg. 1070 [DOE Final Driver Education Regulation]

Dear Ms. Haberstroh:

The State Council for Persons with Disabilities (SCPD) has reviewed the Department of Education's (DOE's) final driver education regulation published as 16 DE Reg. 1070 in the April 1, 2013 issue of the Register of Regulations. SCPD commented on the proposed version of this regulation in January 2013.

First, the Council recommended the addition of the term "and related services" after the words "specialized instruction". The Department of Education agreed and inserted the term.

Second, the Council recommended deletion of a cap which limited enrollment in driver's education to only "one" additional time. The DOE agreed and modified the authorization to allow a student to take the course "additional times".

SCPD truly appreciates that DOE considered our comments and adopted amendments conforming to both Council recommendations.

Sincerely,

A handwritten signature in black ink, reading "Daniese McMullin-Powell".
